We are Registered Under :

TRAINING

We are fully alive to the necessity of training at all levels to ensure quality of service and client satisfaction. We believe in optimum attention being paid to selection and training processes.

National Security Wing carries out training at basic refresher and specialized levels. New entrants are put through basic training schedules and are then imparted on job training for some days before being put on regular duty. The senior staffs are put on periodic refresher courses and specific level courses. Apart from imparting basic training program, we initiate following training schedules
